

TOP TEN TIPS FOR KEEPING COOL IN HOT WEATHER

1 Don't spend long periods sitting or working outside in the hottest time of the day: 11am - 3pm.

2 If you are travelling in a vehicle take a bottle of water to drink.

3 Avoid strenuous activities, and limit activities to early morning/evening when its cooler.

4 When inside use the coolest rooms and keep curtains/blinds closed in rooms that catch the sun.

5 Shut windows when its cooler inside than out and open when its hotter inside than out. Leave open at night if its safe.

6 Wear loose / lightweight /lightcoloured, cotton clothing.

7 Take cool showers and baths.

8 Splash your face with cool water or place a damp cloth on the back of your neck.

9 Drink plenty of fluids even if not thirsty.

10 Eat normally, try to have more cold foods that contain high water content e.g. salads and fruit.
