

**Notes of the meeting on 13th February 2013 of the Housing FG held at Lindfield URC.**

Call for land. Ensure that the call for land poster is uploaded to the Lindfield Parish Council website and to promote the call for land to land owners in the parishes.

Claire Tester & Emma Shuttleworth. All to consider and propose any questions or clarifications toward Claire (Head of Planning) and Emma (Affordable Housing) to assist us in our planning. We can then either handle these via email or try to arrange to meet them. I'll start this process off under a separate email.

Site visits. To get a better feel for the sites we should arrange a visit. I'd like to propose the afternoon of Sat 23rd Feb.

The current documents detailing the suitability of each site lists more sites than are currently marked upon the maps. Ensure that maps listing all sites are uploaded to the Parish Website for reference.

All to read the AiRS report on the questionnaire (and please can this be uploaded to the website as I'm finding the dropbox solution a little cumbersome to use).
