### **358. Questions/comments from members of the public**

358.1 None

### **359. Planning Applications and other matters referred to the Parish Council by Mid Sussex District Council (MSDC), West Sussex County Council (WSCC) for consideration.**

Appendix One shows the application details and agreed responses. For each application, the observations of the members who had studied the plans were read out and any public comments received, before discussion by the Committee, as summarised below (where applicable).

359.1 Cllr Woolley observed that MSDC's reasons for refusal of proposed extensions under DM/24/3046, 29 High Street included *inter alia* the Lindfield and Lindfield Neighbourhood Plan and he considered that this was embarrassing. The Chair advised that the proposed extension was not visible as part of the street scene, and it was therefore difficult to comment upon all aspects. Cllr Burns advised that Village Plans would become increasingly important in the revised approach outlined by the government. Committee **agreed** that no objections should be submitted to the updated application DM/25/0772.

**360. To receive reports on any significant planning decisions** or issues made by MSDC, WSCC or other authority for consideration and to agree any further action which may need to be taken before the next scheduled meeting.

360.1 Committee **noted** MSDC's refusal of planning permission for DM/24/3046 – 29 High Street, that "...the proposed two-storey rear extension, they would not address the character and scale of the existing dwelling and they would be detrimental to the character and appearance of the application property and the wider Conservation Area..."

**361. Report on any issues addressed under the Council's Scheme of Delegation** and to consider further action required, if any.

361.1 None

## **362. Budget Report**

362.1 Committee **noted** the expenditure on batteries for the council's Speed Indicator Devices from within the 2024-25 budget, as outlined at item 340.1 in the 25<sup>th</sup> February PTTC meeting. The Chair observed that the ongoing changes to planning regulations may make the related reserve all the more prescient.

## **363. Outstanding Action Points**

363.1 Committee **noted** the report previously circulated and **agreed** to the removal of the completed items. In respect of the item 320.1 relating to a potential pathway from Blackthorns to Lindfield Common committee agreed that this would not be pursued any further. In respect of item 352 relating to the joint Lindfield and Lindfield Rural Neighbourhood Plan, Committee **agreed** that this should remain as an outstanding item for future consideration.

## **364. Working Group 2025**

364.1 Recognising the report previously circulated, Members considered the report provided and concluded that this was effectively a new working group considering new approaches to issues facing the village. Cllr Matthews felt that the membership should be increased to ensure sufficient representation for more frequent meetings and that these issues are very important to residents, feeling that an ongoing running commentary in Lindfield Life would be a useful step forward. Committee **agreed** that a Draft Terms of Reference should be presented to PTTC at its next meeting on Tuesday 29<sup>th</sup> April, where membership numbers and invitations can also be considered.

## **365. Matters Arising (for noting or deferral to a future meeting only)**

365.1 None.

The meeting closed at 20:48.

The Committee next meets on Tuesday 29<sup>th</sup> April 2025.
